Vision for 2020 celebration: Day our greater community (Nicolet district) comes together as a community and celebrates our nation's Independence Day. Feel of a block party – food, friends, music. Similar to last year, except we'd like to continue to elevate the parade and discuss the following changes we made in 2019: going to the one big ten layout, bringing back softball, and The Brick as our burger/beer vendor.

Upon reasonable notice, efforts will be made to accommodate the needs of disabled individuals.
