RICHARD E. MASLOWSKI COMMUNITY PARK VENUE NAMING CONTEST

There are several venues at Glendale's Richard E. Maslowski Community Park that need names. These are:

- Johnson Controls stage and amphitheater
- Sprecher Brewing beer garden and plaza
- David Hobb's Honda community room

We are asking Glendale residents and members of the sponsor businesses for name suggestions for each of these venues. As an example, think of Summerfest's Briggs and Stratton Big Back Yard and Harley Davidson Roadhouse.

The names will be gathered and submitted to the Common Council and the sponsor business for consideration, with the sponsor businesses making the final selection. The person submitting each winning name will receive a \$100 Bayshore Town Center gift certificate.

Entries can be submitted at Glendale's website – www.glendale-wi.org, or via US mail. If you are sending your suggestion via US mail, each entry must include your name, mailing address, phone number, and suggested venue name. Send the entry to:

Richard Maslowski Community
Park Venue Naming Contest
City of Glendale
5909 N. Milwaukee River Parkway
Glendale, WI 53209

Entry deadline – September 30, 2016. US mail entries must be postmarked no later than September 30, 2016. Entries submitted via the Glendale website must be completed no later than 12:00 Midnight on September 30, 2016. For questions, contact Anna at City Hall at (414) 228-1705.

City of Glendale

5909 N. Milwaukee River Pkwy (414)228-1700
Glendale, WI 53209 www.glendale-wi.org

FALL LEAF COLLECTION

The City of Glendale will pick up leaves beginning early in October through November 13, 2016 (contingent upon the weather) provided the following procedures are followed:

1. Leaves raked to the curb and gutter, and road shoulder areas by November 6th will be collected by the City of Glendale Department of Public Works.
2. Leaves placed on City right-of-ways for City pickup should be raked in long narrow piles that are within reach of the leaf vacuum tube.
3. Piles should not extend into traffic lanes, thereby creating traffic hazards.
4. Leaves should not be placed around obstacles such as mail box posts, sign posts and light poles.
5. Crews will not pick up leaves mixed with debris, logs, branches, rocks, plastic, metal or glass containers or any other type of refuse.
6. Leaves should not be placed on City cul-de-sacs, vacant land or City property except on the public right-of-way along the curb and gutter, and road shoulder areas.

Roadways with Curbs and Gutters: Leaves should be placed on the pavement on the roadside of the curb. To prevent street flooding, do not place leaves on top of storm sewer grates.

Roadways with Shoulders: Leaves should be placed on the shoulder of the road and not extend into the roadway.

Roadways with Ditches: Leaves should be placed no farther than 4 feet from the edge of the pavement, but in no event shall they extend into the water flow line of the ditch.

Alley Collection: Leaf collection will no longer be made from "dead end" or "no outlet" alleys.

**WARNING:
DRIVERS SHOULD BE ALERT FOR CHILDREN
PLAYING IN LEAF OR BRUSH PILES.**

THE BENEFITS OF BUILDING PERMITS

Obtaining the proper permit for your project means more than just a City Inspector visiting your home. Permits ensure that your project is installed, built, repaired or replaced in accordance with all applicable code requirements.

Work that is done without necessary permits not only violates City and State laws, it may be incorrect and unsafe, putting you and your home at serious risk.

Obtaining permits for your project is a small investment that can protect you in the event of inexperienced or unlicensed contractors and improper workmanship.

You should always ask your contractor if they will be obtaining a permit for the work. Be sure to verify that they actually have obtained the permit by requesting a copy of the issued permit or by calling your local Building Inspection Department directly. You may also call the City to inquire whether a permit may be required for your project so you are prepared in advance of meeting a contractor.

Work beyond routine or small repairs will likely require a permit. Any contractor who states "you don't need a permit for that" should immediately raise a red flag. We often hear "I was told that if I'm the homeowner, I don't need to pull a permit". This is unfortunately not true either. Permit requirements are driven by the scope of work, not who performs it.

Some of the more common projects that require permits include re-roofing and re-siding, bathroom, kitchen and basement remodeling, foundation repairs, furnace, air conditioner, water heater and dishwasher replacements, decks, sheds, fences, chimney liners and repairs, hot tubs and swimming pools (whether permanent or temporary) and beyond.

The best way to think of permits is to think of the seat belts and airbags in your vehicle, they are there as a first line of defense, to protect your health, safety, and well-being. Codes were developed and adopted to protect YOU! Feel safe, be safe, make sure to get permits prior to beginning any work.

The City of Glendale Building Inspection Department can be reached at (414) 228-1708 or via email at: inspections@glendale-wi.org.

REDUCE CARBON MONOXIDE INCIDENTS

Reduce the chance of having a carbon monoxide (CO) incident in your home by:

- Having a carbon monoxide alarm on every level of your home.
- Choosing a CO alarm that has the label of a recognized testing laboratory.
- Testing CO alarms at least once a month.
- Checking for low batteries if the audible trouble signal sounds.
- Immediately moving to a fresh air location outdoors or by an open window or door if the CO alarm sounds.
- Removing a vehicle from the garage after starting it.
- Only using gas or charcoal grills outside.
- Checking the expiration date on the CO alarm.

COLLECTION OF REFUSE

Per City of Glendale Ordinance 8-3-6, all garbage carts shall be placed at the curbside collection point only after 4:00 p.m. on the evening prior to the regular collection time, and then all refuse carts must be removed from the curbside collection point within twenty-four (24) hours after the regular collection time.

WEST NILE VIRUS

The City of Glendale Department of Public Works will place mosquito larvacide tablets in all storm sewer catch basins and detention ponds in an effort to reduce the mosquito population.

THE NURTURING NOOK

We provide:

- A safe environment.
- Nutritious foods while teaching how to make good food choices.
- Developmentally appropriate activities geared to each child.
- Daily communication about each child.

MISSED COLLECTION OF REFUSE, RECYCLABLES OR YARD WASTE

If you suspect your garbage, recycling or yard waste collection has been missed, residents must contact Advance Disposal Services directly at (262) 679-0860. This allows residents to explain, in detail with the service provider, what items are placed for collection and any possible reasons for non-collection.

Find the City on Facebook

For up to date information on emergencies, events, and City business, find City of Glendale Wisconsin on Facebook.

THE WINTER SEASON UNFOLDS IN MAGNIFICENT STYLE AT BAYSHORE TOWN CENTER.

Brilliant Night, Dazzling Lights Saturday, November 19th beginning at 6 p.m.

Be there when Bayshore rings in the holiday season. Gather with family and neighbors in the Town Square for Santa's arrival and the lighting of our 50 foot tree. Enjoy holiday music and the warm glow of sharing a spectacular evening together.

Menorah Lighting Sunday, December 27th

Come gather with Lubavitch of Wisconsin, friends and neighbors in the rotunda as we celebrate the miracle of Chanukah.

DAYLIGHT SAVINGS TIME ENDS

Daylight Saving Time ends on Sunday, November 6, 2016. Remember to turn your clocks back one hour. The North Shore Fire Department also recommends replacing batteries in smoke alarms and carbon monoxide detectors at this time.

WATER MAIN FLUSHING

The City of Glendale will continue to conduct its annual water main flushing program.

The flushing program is designed to remove natural minerals like iron and calcium that sometimes collect in the bottom of water mains. This operation may cause a temporary discoloration in your water supply. By allowing your water to run for a short period of time, the problem should clear itself. Please be assured, although the water may be discolored, it is safe for human use.

Any inconvenience should not last more than a day. If problems persist, or for more information, please call the Glendale Water Utility at (414) 228-1719 or (414) 228-1745.

APPLIANCE, ELECTRONIC & TEXTILE RECYCLING COLLECTION EVENT

The City of Glendale is hosting an Appliance, Electronic & Textile recycling collection event for all area residents and businesses.

FINAL YARD WASTE & BRUSH COLLECTION WEEKS

Residents are reminded that the brush and yard waste program with Advance Disposal is **NOT** a tree removal service.

Please place 3 to 4 cubic yards* of brush at the curb on Monday of your collection week. Brush includes tree limbs, bush and hedge trimmings.

- Acceptable brush sizes shall be less than four inches (4") in diameter and four feet (4') in length.
- Pile brush neatly (not tangled) in one direction with cut ends facing the street or alley. Brush considered unsuitably stacked will not be collected.
- The following materials will **NOT** be collected:
 - * More than 3-4 cubic yards* of brush
 - * Stumps
 - * Root systems or parts of roots attached to brush
 - * Brush mixed with garden debris
 - * Brush generated from site clearing activities
 - * Materials resulting from tree pruning or removal at an address other than the collection point
 - * Tree branches greater than 4" in diameter and 4' in length

Recycling Week A - October 31 through November 4
Recycling Week B - November 7 through 11

Please refer to the Spring Newsletter or City Website for the Recycling Map.

Yard Waste & Brush must be placed in the same location as your garbage and recycling before 7:00 a.m. on the day of pick-up.

* One (1) cubic yard is about the size of a household dishwasher

NORTH SHORE HEALTH DEPARTMENT BLOOD PRESSURE SCREENING

The schedule of Blood Pressure Screenings in the North Shore is listed below. No appointment is necessary.

Shorewood

2010 East Shorewood Boulevard
Fourth Wednesday of the month
3:30 p.m. to 5:00 p.m.

North Shore Library

6800 North Port Washington Road
Last Tuesday of the month
3:30 p.m. to 4:00 p.m.

DRIVEWAY PERMITS

A permit is required when replacing a driveway approach, which is located within the City right-of-way. A sketch showing the width of the approach must be submitted with the permit application. The fee is \$25.00. For more information, please call (414) 228-1745.

CITIZENS POLICE ACADEMY (ENROLLMENT)

The Glendale Police Department will be offering their 22nd Citizens Police Academy, starting Thursday, September 29th, 2016. The response has been outstanding so get your applications in early.

The Citizens Police Academy (CPA) meets from 6:00 p.m. to 8:00 p.m. for eight-weeks. Individuals who apply must be at least 18 years of age and live, work, or attend school in Glendale. The classes will provide an in-depth view into various areas of law enforcement. It is an educational and informative program that allows citizens the opportunity to learn about the issues that affect law enforcement efforts in the City of Glendale, and how to develop a partnership with the police department.

In general, the CPA covers diverse topics such as media relations, a police ride-along, narcotics enforcement, defense and arrest tactics, criminal investigations, crime prevention, drunken driving detection, canine division, and weapons demonstrations including the Taser X-26.

For more information regarding the program or to have an application sent or emailed to you contact Officer Joel Dhein in the Crime Prevention Unit at (414) 228-1741 or email him at j.dhein@glendale-wi.org.

You can also pick up a CPA brochure and application at the Glendale Police Department located at 5909 N Milwaukee River Parkway.

BICYCLE LICENSE AVAILABLE

City of Glendale Ordinance provides that any bicycle ridden on the street is to be licensed. Licenses are available at the Glendale Police Department and sell for a fee of \$10.00. This license is **PERMANENT**.

HOMEOWNER STRATEGIES FOR MANAGING EMERALD ASH BORER (EAB)

Glendale residents who have ash trees on their property are strongly encouraged to develop a strategy for managing their trees and maintaining property value as the EAB wave moves through the North Shore during the next decade. Treating high value ash trees on your property to preserve tree canopy is a viable option. Check out the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) Emerald Ash Borer Homeowners Guide at:

The site includes information about how to contact a certified arborist to get professional advice in developing your strategies, as well as information on treating trees to prevent ash mortality. It is important to not delay your planning. Once EAB gains a foothold, ash mortality will come swiftly, overwhelming the resources available to remove dead, standing trees.

<http://datcpservices.wisconsin.gov/eab/articleassets/EAB-HomeownersGuide.pdf>

The National EAB Informational Website and the Wisconsin EAB Website (links below) are excellent sources of information. It is vitally important to have good information about this exotic pest so you can make the most informed decision about the ash trees on your own property, thus helping to preserve the urban tree canopy throughout the City. Spread the word to friends and neighbors as well.

The National EAB Informational Website and the Wisconsin EAB Website (links below) are excellent sources of information. It is vitally important to have good information about this exotic pest so you can make the most informed decision about the ash trees on your own property, thus helping to preserve the urban tree canopy throughout the City. Spread the word to friends and neighbors as well.

SANITARY SEWER BACKUP

If you experience a basement sanitary sewer backup on weekdays between 8:00 a.m. - 4:30 p.m. call (414) 228-1710. If you experience a backup after hours or on weekends, please call the Glendale Police Department non-emergency number at (414) 228-1753. The Police Department will contact a Department of Public Works employee to investigate the problem.

Fall Maintenance - Mailboxes

Please check your mailbox posts to ensure that they are solid and sturdy in the ground prior to winter. Once winter is upon us and the ground is frozen, it is almost impossible to make the needed repairs to sturdy your mailbox. This will ensure that when heavy snow is plowed off the road, your mailbox will not be pushed over.

DISPOSAL OF LARGE, BULKY OR NON-HOUSEHOLD WASTE

Disposal of large furniture, mattresses, etc. is done by special collection on **Mondays ONLY**. Residents must call Advanced Disposal Services at (262) 679-0860 to schedule a special pick-up for all large, bulky or non-household waste.

Special pick-ups must be scheduled at least a week in advance of the scheduled Monday collection.

Items may be placed at the curb on the night PRIOR to the Monday collection ONLY.

Items must be neatly piled or placed in containers to facilitate collection. All collections are done by hand so your consideration for the workers is appreciated.

STREET LIGHTS

If you notice a street light that is not working, please call City Services at (414) 228-1710. Please include the address location and whether the light is completely out or flickering.

ELECTRONIC DEVICES

Advanced Disposal Services will charge \$25.00 to pick up televisions. Advanced Disposal Services will not pick up computers.

Residents can take electronics to designated recycling centers. For a full list of collection sites, visit the Wisconsin Department of Natural Resources website at:

<http://dnr.wi.gov/ecyclewisconsin>

CARDBOARD DUMPSTER

City of Glendale residents may dispose of cardboard by placing it in the compactor dumpster just inside the south gate of the Public Works (PW) yard located on North Glen Park Road. Flatten the cardboard before placing it in the dumpster. The gates to the PW yard are open from 7:00 a.m. to 3:00 p.m. Monday through Friday. For curbside pick up of cardboard, all cardboard must be cut to fit inside the recycling cart.

HOME SAFETY ASSESSMENT

In an effort to keep our residents safe from fire and promote community safety, North Shore Fire/Rescue will conduct a free courtesy home safety evaluation and install smoke alarms free of charge. This service is offered to all Glendale residents. Please visit www.nsfire.org for more information.

Top Projects that Require Permits

New and replacement installations of the following require permit(s) prior to installation.

1. **Furnace or A/C**
2. **Dishwasher or Water Heater**
3. **Roofing**
4. **Siding**
5. **Basement alterations**
6. **Interior/Exterior Alterations**
7. **Foundation Repair**
8. **Fence or Shed**
9. **Electrical**
(New service, appliance wiring, new circuits)
10. **Plumbing**
(Appliances, Sinks, Piping, Sumps)

Not sure? Ask first by contacting the Building Inspection Department at (414) 228-1708.

FAIR HOUSING - IT'S THE LAW!

It is the policy of the City of Glendale to assure equal opportunity to live in adequate housing facilities regardless of race, color, religion, ancestry, national origin, sex, handicap, sexual preference, marital status of persons maintaining a household, lawful source of income, place of birth, or age, and to that end, to prohibit discrimination in housing by any persons.

In connection with any real estate transaction which affects any housing accommodation on the open market, or in connection with any public sale, purchase, rental or lease of any accommodation, it is illegal within Glendale for a person, owner, financial institution, real estate broker or sales representative to:

1. Refuse to sell, purchase, rent or lease to a person because of race, color, religion, ancestry, national origin, handicap, marital status, sexual preference, sex, age, or place of birth.
2. To discriminate against a person in the terms, conditions or privileges of the sale, purchase, rental or lease of any housing accommodation.

A complete copy of the City's fair housing ordinance may be obtained at City Hall, or the City website at www.glendale-wi.org/fairhousing. You may also call (414) 228-1705.

Any person who has a complaint, or who may be aggrieved by any unlawful practice which is prohibited by the ordinance, may file a complaint with the Common Council within 30 days after the aggrieved person becomes aware of the alleged unlawful practice, but no more than 60 days after the alleged unlawful practice has occurred.

The City will attempt to resolve each complaint. If an acceptable resolution for both parties is not reached, the City will then forward the complaint and findings to appropriate state and federal agencies.

In addition to the local Code of Ordinances, an individual can pursue complaints under both state and federal fair housing laws. Under the Wisconsin Open Housing Law a person has one year after the last act of discrimination to file an administrative complaint with the State of Wisconsin Equal Rights Division (ERD) and one year to file a judicial complaint (lawsuit).

If a person chooses to pursue a complaint through a federal administrative agency the complaint must be filed with the Department of Housing and Urban Development (HUD) within one year of the last act of discrimination under the 1968 Federal Fair Housing Act (FFHA). To file a federal court action under the FFHA one must file the complaint within two years of the act of discrimination. In addition, under the Civil Rights Act of 1866, which only applies to racial discrimination, a person has up to three years to file a judicial complaint.

Additional contact telephone numbers for complaints include the Metropolitan Milwaukee Fair Housing Council (414-278-1240), the United States Department of Housing and Urban Development (414-297-3214, Ext. 8300 or 8301), or the State of Wisconsin Equal Rights Division (414-227-4384).

PHONE SCAMS TARGETING WISCONSIN RESIDENTS

The Consumer Hotline at the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) is lighting up with questions about fraudulent telephone calls. Thankfully, most consumers are calling to inquire about the scam attempts, not to report that they have been victimized. DATCP asks consumers to be on the lookout for requests for payments, personal information or access to their computers during unsolicited calls.

For additional information or to file a complaint, visit the Consumer Protection Bureau at <http://datcp.wisconsin.gov>, send an e-mail to datcph hotline@wisconsin.gov or call the Consumer Information Hotline toll-free at 1-800-422-7128.
