 Glendale, WI 53209 www.glendale-wi.org

2017 City Budget Summary

The 2017 Annual Program Budget is affected by limited local economic growth which results in limited property tax levy increase to fund the 2017 budget. These factors are a result of a continued sluggish state and county economy. The City continues to be presented with the challenges of State Legislature changes.

As of January 1, 2016, value of new construction during the previous 12 months was \$3,517,500 – approximately 0.17 percent of the City's valuation. Consequently, the City (by State law) is allowed to increase the property tax levy to fund the 2017 operations and capital expenditures by \$20,984. Property taxes are the city's primary revenue source. For the 2017 Budget, the total increase in property tax levy has been allocated to the General Fund.

The City participates in the State's voluntary expenditure restraint program. This restrictive expenditure program enables the City to receive an annual incentive payment as a reward for holding expenditures in the General Fund at or below the levels from the previous year adjusted by inflation. The City will continue to participate in this program in 2017, and as such, we anticipate receiving approximately \$343,683 from the State.

In order to comply with the State mandates, and yet provide essential City services without resorting to any new fees for services required, the budget is essentially balanced by decreasing employee costs. This has been accomplished through reduced benefit levels, and not filling vacant police officer positions, as quickly as they should.

(Continued on page 2)

2017 City Budget Summary (continued)

The 2017 budget for operations and maintenance totals \$16,505,807, an increase of \$245,206 from the 2016 budget. The total City budget, without TIF but including Debt Service and Special Revenue Funds, is \$50,674,135.

The tax levy will be \$12,490,225, an increase of \$20,984 or 0.17%.

A full copy of the 2017 Annual Program budget can be found on the City's website.

RESIDENTIAL SEWER USAGE BILLING CHANGE

Residential sewer usage billings will be based on actual water usage starting in 2017. The Glendale Water Utility previously billed residential sewer usage each quarter based on a winter quarter water usage. The following three sewer usage billings were estimated to be the same as the winter quarter usage.

Residential customers with thousands of gallons of water usage not entering the sanitary sewer system may be eligible for sewer usage credits. Homes with irrigation systems may want to consider metering for external water usage. Residents filling swimming pools/ice rinks may file an application with the Water Utility for a sewer usage credit. Additional information related to these residential sewer credits is available on the Glendale Water Utility webpage or by calling 228-1719.

RESIDENTIAL RECREATIONAL VEHICLES

The City of Glendale reminds residents that recreational vehicles, including boats, cannot be parked on the frontage of your property. For additional information please refer to the City Ordinance Section 10.1.40 on our website at <http://www.glendale-wi.org/>

CITY OF GLENDALE'S WEBSITE

The City of Glendale would like you to take a few minutes to check out the City's website at www.glendale-wi.org. You can sign up to receive notifications of weather emergencies, city announcements, and agendas with the "Notify Me" button.

Thank you.

2017 PLANNED CAPITAL IMPROVEMENT PROGRAM

The following Capital Improvement projects are under consideration at the present time. Final approval by the Common Council will take place in January, 2017.

- N. Sunny Point Rd. Construction (N. Milwaukee River Parkway north to cul-de-sac)
- W. Acacia Rd. Water Main Replacement and Street resurfacing (N. Bethmaur Ln. east to Atwahl Dr.)
- Green Tree Valley Water Main Replacement and Street resurface (N. Ironwood Ln. N. Elm Tree Rd., and W. Elmwood Ln.)
- Replacement of Bender Bridge Rails
- Street Overlays
- Richard E. Maslowski Community Park
- Police and Public Works Equipment
- City Hall Police Department remodeling plans.
- Green Bay Avenue and Mill Road economic development study.
- Water Utility Meters
- North Shore Water Commission Capital Improvements.

DISPOSAL OF LARGE, BULKY OR NON-HOUSEHOLD WASTE

Disposal of large furniture, mattresses, etc. is done by special collection on **Mondays ONLY**. Residents must call Advanced Disposal Services at (262) 679-0860 to schedule a special pick-up for all large, bulky or non-household waste.

Special pick-ups must be scheduled at least a week in advance of the scheduled Monday collection.

Items may be placed at the curb on the night **PRIOR** to the Monday collection **ONLY**.

Items must be neatly piled or placed in containers to facilitate collection. All collections are done by hand so your consideration for the workers is appreciated.

GLENDALE'S VETERAN'S MEMORIAL NAME SUBMISSION INVITATION

All military veterans of the City of Glendale are invited to submit their names for the Veterans Memorial being constructed in the Richard E. Maslowski Community Park. Forms for the initial engraving are due January 31, 2017 and can be found on the City's website and at City Hall. Contact Anna at City Hall if you have any questions (414-228-1705).

COLLECTION OF REFUSE

Per City of Glendale Ordinance 8-3-6, all garbage carts shall be placed at the curbside collection point only after 4:00 p.m. on the evening prior to the regular collection time, and then all refuse carts must be removed from the curbside collection point within twenty-four (24) hours after the regular collection time.

We provide:

- A safe environment.
- Nutritious foods while teaching how to make good food choices.
- Developmentally appropriate activities geared to each child.
- Daily communication about each child.

PROPERTY TAX COLLECTION PROCEDURE

Property tax bills will be mailed in early December. The bill that you receive will have bar coded payment stubs to assist in processing. You should retain this copy of the tax bill for your records, and return only the bar coded payment stub(s) with your payment(s).

Full payments are due January 31, 2017. Optional installment payments are due January 31, March 31, and May 31, 2017 respectively. Special assessments and special charges are not eligible for the installment plan and are due January 31, 2017 along with the first installment. We recommend that you mark your calendar so that you are not late for an installment payment. No reminder notices will be sent.

Mail payments are encouraged because this is an efficient collection process. Please note that the postmark governs the date of payment – not the date on your check.

Payments will be accepted at City Hall Monday through Friday from 8:00 a.m. to 4:30 p.m., with the following holiday closures: December 23, 26 & 30, 2016 and January 2, 2017. You may also use the permanent collection box located at the front entrance to City Hall. Payments placed in the collection box before midnight on December 31st will be dated December 31st.

We do not automatically mail receipts, which reduces costs and the consumption of resources. You may enclose a self-addressed stamped envelope for a mailed receipt, or you can obtain tax details (a form of receipt) and duplicate tax bills on the internet at: <http://www.glendale-wi.org>. Payments will appear on this website the day after they are posted.

All payments made on or before the due date, as well as any delinquent real estate tax payments made through July 31st, should be made payable to "Treasurer, City of Glendale."

If you have an escrow account, it is your responsibility to contact your lending institution (if necessary) to make arrangements for the payment of taxes, or to provide them with a copy of the tax bill. If you are paying with an escrow check remember that ALL individuals listed as co-payees must endorse the check. If your check exceeds the total amount of tax due, a refund check will be mailed to you in approximately 10 business days.

The tax levy is established by the State of Wisconsin, Milwaukee County, City of Glendale, Glendale/River Hills or Maple Dale/Indian Hills School Districts, Milwaukee Area Technical College, and the Milwaukee Metropolitan Sewerage District to cover their own expenses. Your City tax is the only amount controlled by the City of Glendale. Questions should be directed to each of the taxing jurisdictions regarding their own taxes:

Glendale/River Hills School	(414) 351-7170
Maple Dale/Indian Hill School	(414) 351-7380
Milwaukee County	(414) 278-4222
Milw. Metro. Sewerage Dist.	(414) 272-5100
Milw. Area Tech. College	(414) 297-6282
Nicolet High School Dist.	(414) 351-1700
City of Glendale	(414) 228-1701

MISSED COLLECTION OF REFUSE, RECYCLABLES OR YARD WASTE

If you suspect your garbage, recycling or yard waste collection has been missed, residents must contact Advance Disposal Services directly at (262) 679-0860. This allows residents to explain, in detail with the service provider, what items are placed for collection and any possible reasons for non-collection.

SHOP WITH A COP 2016

The Glendale Police Department will be hosting their annual Shop With a Cop event on Sunday, December 4, 2016. This program has been a positive community event since its inception in 2008. The program provides a joyful holiday experience for local children who, without this event, may not experience one. The Glendale Police Department/GPPA, in cooperation with IPIC Entertainment and Kohl's Department store, will provide each of the students with cash donations to spend on themselves and their families at Kohl's Department Store at Bay Shore Mall. After the shopping is completed, the group will go to IPIC Entertainment where they will be hosting a bowling party and a complimentary lunch will be provided. Kids have the option of having their gifts wrapped by a volunteer if they choose.

CARDBOARD DUMPSTER

City of Glendale residents may dispose of cardboard by placing it in the compactor dumpster just inside the south gate of the Public Works yard located on North Glen Park Road. Flatten the cardboard before placing it in the dumpster. The gates to the yard are open from 7:00 a.m. to 3:00 p.m. Monday through Friday. For curbside pick up of cardboard, all cardboard must be cut to fit inside the recycling cart.

SANITARY SEWER BACKUP

If you experience a basement sanitary sewer backup after hours or on weekends, please call the Glendale Police Department non-emergency number at 228-1753. The Police Department will contact a Department of Public Works employee to investigate the problem.

HELP PROTECT YOUR FAMILY & HOME

With a home security system monitored by ADT professionals 24 hours a day, 7 days a week. As an added benefit, installing a Security System may qualify you for a Homeowners Insurance discount.

BRUSH AND YARD WASTE COLLECTION FOR 2017

Advanced Disposal Services (the City's refuse collector) will collect brush and yard waste every other week from March 20 through November 11, 2017. Residents who need to dispose of brush or yard waste in the winter months can schedule a pick-up from Advanced Disposal for a fee. The cost is \$30.00 for two cubic yards and \$10.00 for any additional cubic yards. (Note: One yard of yard waste equals one (1) trash can).

To schedule a pick-up and make payment arrangements, call Advanced Disposal Customer Service at (262) 679-0860.

ELECTRONIC DEVICES

Advanced Disposal Services will charge \$25.00 to pick up televisions. To schedule a pick up call (262) 679-0860. Advanced Disposal Services will not pick up computers.

Residents can take electronics to designated recycling centers. For a full list of collection sites, visit the Wisconsin Department of Natural Resources website at:

<http://dnr.wi.gov/ecyclewisconsin>

INTERNET PURCHASE EXCHANGE LOCATION

Glendale residents and business owners who sell or buy on Craigslist, Facebook Marketplace or other exchange sites are encouraged to conduct their transactions in the parking lot or front lobby of the Glendale Police Department.

With an increase of buying and selling items over the internet, we want people to be safe and meet up in a more secure location. Especially selling smaller items, such as jewelry, cellular telephones, or coin collections, which often require the seller to invite the buyer into their home to pick up and pay for the item or items. By meeting at the police department you decrease potential danger to your family or your property. You also eliminate the chance for any potential criminals to evaluate your residence for a future crime.

The parking lot and front lobby are monitored by security cameras and the new sign below sponsored by the WI Crime Prevention Practitioners Association has been placed in a designated area to promote safe sales for both parties. Sellers and buyers are asked to come to the police lobby and let us know that you will be making a transaction.

HOLIDAY TRASH COLLECTION

	Monday	Tuesday	Wednesday	Thursday	Friday
December 19 to 23, 2016	Regular Service				
December 26, 2016 to January 2, 2017	Regular Service				

As a reminder, residents should place garbage carts at a safe distance up the driveway during the snow season so the carts are not hit by snowplows or snow load from the plows during plowing operations. Any garbage carts that are placed in the road may be hit and it will be the responsibility of the homeowner to replace if damaged.

SNOW REMOVAL PROCEDURES

Based upon the expected snowfall this season, we wish to remind you of the City's long-standing snow removal and salting policy.

Normally, the City does not plow streets unless the total accumulation of snow is 3 or more inches. Anything less is typically covered by salting operations.

Salting operations commence generally at the request of the Police Department or at the determination of the City Services Director based upon weather conditions.

Major thoroughfares have first priority. The City does not have a "bare street" program for residential areas. In other words, for residential streets, salting is typically reserved for intersections, hills, mid-blocks and curved roadways.

As much as many people would like, it is impossible for the City to schedule snow removal times to coincide with their respective snow shoveling or snow removal from their driveways. Plowing streets inevitably will put snow on property owner's driveway approaches. There is no other way to plow snow.

If possible, all major thoroughfares will be plowed and salted by morning. Residential side streets will not be completed until the major streets are completed.

As a reminder, the City does not plow or maintain County or State highways located within Glendale. Those streets include North Green Bay Avenue north of West Good Hope Road, West Good Hope Road from North Port Washington Road west to the City limits, West Mill Road, North Milwaukee River Parkway and North Port Washington Road from West Daphne Road north to the City limits.

The City's 10-person Public Works Department will do all that is humanly possible to clear all City streets in a timely fashion. All snow plowing, with the exception of alleys, is done by Public Works employees.

Property owners who have sidewalks will receive a reminder notice of their responsibility to remove snow and ice from their sidewalks. The City is responsible for snow removal on sidewalks that are located adjacent to or on bridges, railroad right-of-ways, and by agreement with Milwaukee County, the sidewalk on North Green Bay Avenue from West Mill Road north to West Green Tree Road.

Please have the appropriate amount of patience and understanding required in this type of climate, with the Public Works Department.

WINTER MAINTENANCE - MAILBOXES

Please check your mailbox posts to ensure that they are solid and sturdy in the ground prior to winter. Once winter is upon us and the ground is frozen, it is almost impossible to make the needed repairs to sturdy your mailbox. This will ensure that when heavy snow is plowed off the road, your mailbox will not be pushed over.

CHRISTMAS TREE COLLECTION

Place bare trees out with your trash on your **regular collection day**. Trees longer than 6 feet must be cut in half. The **last pick-up day** will be January 13, 2017. Bags, tree covers, lights, and ornaments must be removed from trees before placing them next to your garbage. Please keep the trees clear of snow banks.

Income Tax Reminder

Remember that each citizen should use **GLENDALÉ, WISCONSIN** as their mailing address. This is important when filing income tax returns, vehicle registration forms, and applications for property fire insurance because the City receives a portion of the amount you pay as "shared taxes." By using GLENDALÉ, WISCONSIN you will also avoid paying a \$20.00 per vehicle wheel tax to the City of Milwaukee.

The City of Glendale receives this shared tax payment ONLY if you indicate your residence as GLENDALÉ. A significant share of your City Government is paid by "shared taxes."

When filing your State Income Tax return, the Wisconsin School District Codes are as follows:

Glendale-River Hills 2184
 Maple Dale-Indian Hills 1897

THE FOURTH OF JULY COMMITTEE WANTS YOU!

We are beginning the planning for the 2017 Fourth of July Celebration and are looking for dedicated individuals to help make the community festival a success. Please contact us at july4thglendale@gmail.com.

WINTER PARKING REGULATIONS

Glendale's winter parking regulations take effect on December 1, 2016. No parking is allowed on any street between the hours of 2:00 a.m. and 6:00 a.m. from December 1 through March 31. All 2016 parking permits will expire on December 1, 2016. If you have an emergency parking consideration, please call (414) 228-1753 with your request.

COMMUNICABLE DISEASE PREVENTION AND CONTROL

The North Shore Health Department (NSHD) strives to promote and protect the health and safety of the people in the North Shore. One of the ways we protect the health and safety of our residents is by responding to communicable/infectious diseases. A communicable disease, also known as an infectious disease, is an illness transmitted through direct contact with an infected individual or animal—or indirectly through contact with a vector such as a mosquito, tick or plant, with blood or bodily fluids, or by breathing in an airborne virus or bacteria.

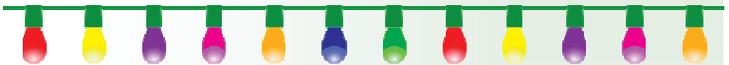

Some diseases that pose a public health impact include food borne illnesses, which tend to peak in the winter months. To help protect yourself and loved ones from contracting viruses and other communicable diseases, follow these helpful tips:

- Wash your hands carefully with soap and water. If soap and water aren't available, use an alcohol-based hand sanitizer.
- Keep certain food separated—separate raw meat, poultry and seafood from other ready to eat products.
- Be mindful of time and temperature—perishable foods should not be left at room temperature longer than 2 hours
- Wash fruits and vegetables and cook seafood thoroughly.
- When you are sick, do not prepare food or care for others who are sick.
- Wash laundry thoroughly—Remove and wash clothes or linens that may be contaminated with vomit or stool .
- Get your annual flu shot and protect yourself from the flu this year. Call the health department at (414) 371-2980 or visit our website at nshealthdept.org to schedule your appointment today.

Along with these helpful tips it is important to help stop the spread of germs by avoiding close contact who are people with sick and staying home from work and school. This will help stop the spread of disease and also allow time for you to get well!

To get more information on the health trends in the North Shore, visit nshealthdept.org and sign up for our monthly newsletter.

Visit CDC.gov for more tips and information.

DOG AND CAT LICENSE FEE

All dogs and cats over five months old are required to be licensed. A total of no more than three dogs or cats is allowed per residence.

Applications to renew dog and cat licenses are mailed by the Milwaukee Area Domestic Animal Control Commission (MADACC) in January.

Licenses can be obtained from MADACC's website for a small online servicing fee, or at Glendale City Hall during regular business hours.

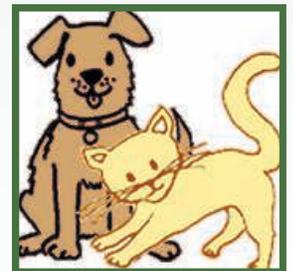

Fee Schedule for Dog and Cat Licenses:

DOG LICENSES

Male or Female \$24.00
Spayed/Neutered \$12.00

CAT LICENSES

Male or Female \$24.00
Spayed/Neutered \$12.00

Additional Late Fee Effective April 1

Male or Female \$12.00
Spayed/Neutered \$6.00

If obtained from MADACC, please make checks payable to "MADACC". If obtained from the City of Glendale, please make checks payable to "City of Glendale".

2017 City of Glendale

REFUSE & RECYCLING COLLECTION CALENDAR

Recycling is collected year round every other week.

Refuse is collected every week. To determine your collection day please refer to the **Refuse Collection Map**.

Recycling collection will take place through out the City on the ("R") listed weeks below.

RADON A GUIDE FOR HOMEOWNERS

Radon is a naturally occurring, odorless, radioactive gas that is known to cause lung cancer. It can be found in soils and in drinking water throughout the state. Concerns arise when persons are exposed to radon within a home or other building. Building radon levels are typically higher in winter months because the frozen ground tends to trap radon from escaping through soils and homes are less ventilated because windows aren't opened allowing fresh air inside.

People may generally be unaware of the presence of radon until such a time when they decide to buy or sell a home. Home inspectors provide radon testing services for prospective homeowners. Radon testing usually involves the placement of an electronic monitor in the lowest level of the home however, if the basement is not used for at least seven hours per week, testing should be done on the main level of the home since that is where people generally live. The monitor is left there for two days and the area should be left undisturbed with doors and windows closed for the duration of the test period.

Basic radon test kits are also available through the North Shore Health Department for a small fee. These kits only test for the presence of radon and do not provide the level of concentration of radon gases. The US EPA states no action is required where radon levels are less than 4pCi/L. Additional monitoring is recommended for levels 4pCi/L and above.

Mitigation can be done in two ways, pre/post construction sealing and soil depressurization. The most common means is post-construction sealing and soil depressurization where cracks and other openings in a basement floor are sealed and a fan unit with a pipe extending beneath the floor are used to draw gasses outside and exhaust them to the atmosphere.

Soil depressurization can range in cost from several hundred dollars to over a thousand dollars depending on the difficulty of installation and the contractor.

Fan units with a factory supplied cord and plug, connected to an existing outlet/receptacle, may be installed by a radon contractor and do not require a permit however, any field-installed wiring must be done by an electrician licensed by the State of Wisconsin, including any low-voltage powered units. Alterations to existing sump pumps may require additional permitting to ensure they comply with various codes.

Fortunately, radon is something that is easily managed within a building. For more information regarding radon, including health risks, testing, mitigation and other resources, visit the WI Department of Health Services radon website at: <https://www.dhs.wisconsin.gov/radon/index.htm>, the US EPA radon website at: <https://www.epa.gov/radon>, or contact the Glendale Building Inspection Department at (414) 228-1708.

Test your home, protect your Health.

SNOW, ICE & SIDEWALKS SHOVELING FOR SAFETY

All property owners are reminded that Glendale City Ordinance requires all public sidewalks and curb ramps to be kept clear of snow and ice.

Sidewalks and curb ramps must be clear of all snow and ice within 24 hours from the time snow ceases to accumulate.

After each inclement weather event, the City will inspect all sidewalks and curb ramps to ensure they are safely passable.

If a sidewalk or curb ramp is not safely passable, a notice may be posted or otherwise placed at the property indicating the need to comply with the snow and ice removal requirement within a specified time.

Upon re-inspection, any sidewalk or curb ramp not properly cleared will be cleared by the City with all costs and expenses, including administrative fees and/or ice and salt/sand costs, charged to the property owner or manager as a special assessment.

Residents are also asked to help keep area fire hydrants cleared of snow to allow easy access in case of a fire.

NORTH SHORE FIRE/RESCUE CARDIAC ARREST SURVIVAL RATE !

By: Lieutenant Dan Tyk, North Shore Fire/Rescue EMS Manager, Community Relations & Public Information Officer

Just over a year ago, the Milwaukee County Office of Emergency Management-EMS Division is (the system that manages Emergency Medical Services for all fire departments within Milwaukee County) joined a national registry to evaluate cardiac arrest survivability. The Cardiac Arrest Registry to Enhance Survival (CARES) was established in order to offer a single database where pre-hospital providers (fire departments) could go to merge data with the hospitals.

Often EMT's and Paramedics do not get to find out outcomes of their patients. The CARES registry not only affords them this opportunity, but it also allows providers to compare their resuscitation rates against other local and national providers. The registry also helps to establish best practices as providers across the country can learn from what other agencies are doing in order to increase cardiac arrest survivability.

The "save rate" is the percentages of patients who are discharged alive from the hospital with no noticeable deficits. Recent statistics released show that North Shore Fire/Rescue "save" rates surpassed both the County and national averages. In data compiled through the end of September 2016, the overall "save rate" was 9.7%, while the county and national rates were 8.3% and 6.9% respectively. When looking only at patients who suffered a witnessed cardiac arrest, the North Shore Fire/Rescue "save" rate jumped to 15.4%, while the county and national rates were 13.4% and 11.2% respectively.

It was interesting to note that the bystander CPR rate in Milwaukee County was an incredibly low 19.9%. In comparison, in the Dallas-Ft. Worth area, the bystander CPR rate is upwards of 85%.

North Shore Fire/Rescue hopes to improve the local bystander CPR rates with initiatives including dispatcher assisted CPR, local community-wide Hands Only CPR training offerings, and the implementation of PulsePoint, a smartphone app aimed at getting CPR trained bystanders to the side of those suffering cardiac arrest before EMS arrives.

All of these initiatives stress the important role that every member in the community plays when it comes to a successful cardiac arrest outcome. The interventions provided by bystanders while EMTs and Paramedics are responding to the scene are truly what determine whether the patient will have a positive outcome. North Shore Fire/Rescue encourages all members of the community to attend a free Hands Only CPR training. Trainings are offered through local seniors groups, libraries, businesses and recreation department. Are you interested in offering Hands Only CPR training for a group you are a part of? -- Contact Lieutenant Dan Tyk at 414-357-0113 ext. 1513 or at dtyk@nsfire.org. To learn more about CPR and other Community Risk Reduction Initiatives offered by North Shore Fire/Rescue, please visit www.nsfire.org.

STREET LIGHTS

If you notice a street light that is not working, please call City Services at (414) 228-1710. Please include the address location and whether the light is completely out or flickering.
