

## Glendale's 2020 Fourth of July Celebration

Due to the uncertain progression of the COVID-19 pandemic, the Glendale Fourth of July Committee virtually convened and unanimously voted to cancel the 2020 Fourth of July celebration in Glendale.

The committee is continuing to explore future options for recognizing our Country's independence and all those who have served our nation. If such an event is planned, a separate notice will be sent to the community.

This year, in addition to safety concerns, we are conscious of the profound financial impact COVID-19 has had on our sponsors and the local economy. Our yearly celebration is dependent upon the generous contributions and in-kind donations from businesses and families. We are grateful for their past and future support.

Additionally, we publicly acknowledge our dedicated volunteers, first-responders, committee members, entertainers, and vendors who make Glendale's Celebration one of the grandest in Milwaukee County. If you would like to help plan a future Fourth of July celebration, please contact Mayor Bryan Kennedy at [bryan.kennedy@glendale-wi.gov](mailto:bryan.kennedy@glendale-wi.gov).

Glendale's 4th of July Committee is grateful to call Glendale our home and looks forward to the day when we can come together as a community to celebrate.
