WILEAG Accreditation

The Department continues to maintain accreditation status through the Wisconsin Law Enforcement Accreditation Group. The Department was awarded re-accreditation status under the 4th Edition Standards in 2016. The Department received its initial accreditation award under the 2nd Edition Standards in 2006 and was re-accredited under the 3rd Edition Standards in 2009 and 2013.

The Department is currently working towards re-accreditation status under the 5th Edition Standards. The WILEAG accreditation program requires agencies to comply with state-of-the-art standards in four basic areas: policy and procedures, administration, operations and support services. The 5th Edition Standards consists of 242 standards, divided into 602 dimensions, that incorporate the best police practices and requires agencies to be reevaluated every three years.

I would like to take this opportunity to commend all the officers for their professionalism and dedication in protecting the citizens of Glendale. They continue to be our most valuable asset in protecting the peace and providing service to the community.
