With so much happening in our fine city, it is nice to have a day to just relax and enjoy the company of neighbors and friends. Welcome to the Glendale Gathering 2016. The Glendale Gathering serves as a commemoration of our nation's independence. It also provides a chance for Glendale residents to come together to celebrate our rich past and discuss our ideas for our bright future. Relax today and enjoy time with friends, family and neighbors. Many thanks to the wonderful family of volunteers that worked for months to make this day happen. We also owe a debt of gratitude to our local business that sponsored and participated. Happy Independence Day!"

Let's build a playground!

Parkway Elementary School

Glendale - River Hills School District

The Parkway/Glen Hills PTO and the Parkway/Glen Hills Foundation in combined effort with the students, faculty and staff at Parkway Elementary and Glen Hills Middle School are raising money for a new all abilities playground that is inclusive and accessible for all children. Parkway Elementary School is home to nearly 500 students, with over 10% receiving some form of special education. What makes Parkway unique is that these students are never separated from their peers in the classroom. In fact, the only time students are separated is during recess. The current playground at Parkway has a wood-chip surface that is limiting for children of different abilities. The playground to be built at Parkway Elementary School in Glendale will not only benefit the students at the school, but the entire community of Glendale.

Visit our website www.playtogetheratparkway.org for more information and to make a donation. Please send a check payable to:
Parkway PTO, 5910 North Milwaukee River Parkway, Glendale, WI 53209
