Meeting called to order by Executive Director Deuser at 2:06PM

1. Approval of the February 10, 2021, Meeting Minutes

Motion by Administrator Safstrom, seconded by Mr. Ross to approve the February 10, 2021, Meeting Minutes. Motion approved unanimously.

2. Glendale Hotel Occupancy and Budget.

Administrator Safstrom stated the second quarter numbers slowly are increasing. Motel 6 is under renovation and is unable to open their second and third floor for guests until it is safe for patrons. Executive Director Dueser mentioned the new Hampton Inn will be having a ribbon cutting, but no date has been set.

3. Visitor Guides and #RescuetheRestaurants

Executive Director Deuser informed the board that 10,000 new Glendale Visitor Guides are printed with 9,000 distributed to various locations in Glendale including all hotels. Welcome to Glendale will hand out these guides at large scale city events this summer. In addition, the #RescuetheRestaurants guides, sponsored by Boelter, have also been distributed. Executive Director Deuser reports the restaurants are doing better. Mr. Ross commented saying compared to 2019 reports, California Pizza Kitchen is doing great. Glendale Area Business Association members have received information on SBA loans for restaurants.

4. COVID Preparedness Plan

Welcome to Glendale created a COVID Preparedness Plan for summer events and it is currently under review at the North Shore Health Department. As the Emergency Order 8.1.20 was lifted, some portions of the plan no longer apply and will be taken out. The plan indicates the expectations for all attendees, social distancing, and encouraging the use of masks when social distancing is not feasible outdoors. Food vendors will be required to wear masks and gloves. Currently, the Fourth of July committee and the North Shore Health Department are working together to strategize how to operate the celebration. Welcome to Glendale will have free masks and extra hand sanitizing stations at their booth until supplies last. All marketing says COVID plans will be in place.

Administrator Safstrom said Glendale businesses are encouraged to follow the guidelines of the CDC and North Shore Health Department. A business is able to call the police if a patron refuses to adhere to the businesses rules and can be cited for trespassing.

5. Event/Sponsorship Status

- The first ever community wide, Shamrock Bingo was a success. Bank Five Nine sponsored the event. Viewers participated through Welcome to Glendale Facebook Live. There were six rounds of bingos, each round called off by a Glendale celebrity caller. Winners received a \$100 restaurant gift certificate.
- Welcome to Glendale has sold out of ad space in the Summer Event Guide. The booklet will be sent to all 5,200 Glendale homes and should arrive the first week of June. However, sponsorships for events are down about 50%. Luckily, this funding will cover all of Music in the Glen, the event guide booklet, and some of Fourth of July.
- Event Marketing has begun. Welcome to Glendale is working with Milwaukee with Kids and Key Magazine. All city events are on multiple event calendars. A press release was sent to all media. Root Beer Bash reading postcards are delivered to all North Shore libraries. Community email blasts include the events. Key Magazine has given Glendale a free page to market all city events this summer including Sprecher, BAYSHORE, and Bavarian Bierhaus events.
- Glendale's Fourth of July Celebration is condensed for four reasons: COVID, lack of volunteers, lack of vendors/sponsorships, and time frame of events. Milwaukee County Parks will let the city know on June 1st if we can host this festival.
- Music in the Glen is shortened to four concerts. All concerts are sponsored. There will be a Veterans Salute concert with a flag ceremony at 6:15PM on July 21, 2021. There will be a variety of veteran groups and organizations involved. The concert will be patriotic.
- Root Beer Bash will have a classic car show, petting zoo, two bands, David Stokes and Brett and the Dandys as the headliner. The car show flyer has been posted on various car calendars. Sprecher could be handing out free floats, but this is not confirmed.
- On August 4-7, 2021, the Geico baseball city series championship games will be held at the Richard E Maslowski Community Park. ESPN will film games. There will be 16 baseball teams. MSOE's head coach has a partnership with the Holiday Inn Riverfront. Many teams will stay there. The Richard E. Maslowski Park is receiving recognition as one of the best fields in the state by JS Online.
- Oktoberfest is moving forward with a five-weekend festival. The Bavarian Bierhaus is also hosting German Days. Executive Director Deuser wants to market Oktoberfest earlier than years past. Executive Director Deuser suggests having a hotel shuttle to the Bavarian Bierhaus for weddings and Oktoberfest. Administrator Safstrom stated it would be great to have a complimentary shuttle, but if would need to be sponsored. Currently, weddings at the Bavarian Bierhaus are canceling their stays in Glendale as the hotels do

not offer a shuttle service. Nothing has been approved or decided upon with a shuttle service.

6. Travel Wisconsin/WIGCOT Travel Status

Travel Wisconsin is marketing to northern Illinois, Iowa, and Western Minnesota. The Longwood Travel study indicates people are planning trips as 60% feel safe to travel out of their city.

7. “Heads in Beds” Strategies

Executive Director Deuser stated the Travel Writers Convention is coming to Milwaukee. Ms. BaDour is creating an email to entice travel writers to visit and stay in Glendale. Welcome to Glendale had their first travel writer visit our city and is pitching a story about Glendale to Midwest Living. The Residence Inn has created a special code for family members visiting loved ones in Glendale nursing homes. Lastly, Executive Director Deuser spoke with an expert at the Wisconsin DNR, and they will now direct people to stay in Glendale for trout fishing.

8. Welcome to Glendale to Sponsor Bayshore’s Art & Artisan Show?

Welcome to Glendale normally sponsors the Wisconsin Beer Lovers Fest. As this festival is not happening in 2021 and may not return, Ms. Vento from Bayshore is asking for WTG to sponsor their Art & Artisan Show on September 25 & 26. The Art Show is done by Amdur production company to recruit artisans of a high-end quality. This is an audience that travels, marketing to Chicago and Midwest region. The festival will include 75 vendors, food trucks, and live entertainment. Bayshore’s marketing includes MKE Lifestyle, Milwaukee magazine, radio commercials and event calendars. The sponsorship would be \$15,000 which includes sponsors featured on the marquee of The Yard, private canopy event, making announcements at the start of each show, website and social media shout outs, promotional posters, and flagpole banners. Board will need to vote on this at the next meeting in June.

9. GABA Report

Welcome to Glendale has sent a “welcome plant” to new businesses opening in Glendale: Landmark Credit Union, Goody Gourmet, Toppers, and Chase Bank. Currently, GABA has 53 members and four new members have joined in the past few weeks. On March 11th, GABA’s Network at Night was a success with roughly 50 individuals. However, the Lunch and Learn scheduled for April was cancelled, due to lack of responses. Welcome to Glendale has created new job board for GABA members on the website. The GABA summer event schedule is out. Administrator Safstrom stated GABA should not cancel events even if four people sign up as business members will not sign up and see the value of being a member.

10. Website Update

Executive Director Deuser is not happy with the current website host. She is meeting with marketing companies to find a new reliable company.

11. Next Meeting Date: June 9 @ 2:00PM

The committee confirmed the next meeting for June 9, 2021 at 2:00 p.m. via Zoom.
